

Cumbria in Bloom

Cumbria in Bloom is very anxious to support communities, and people in communities, that are continuing to be involved in gardening projects and would like the chance of some sort of award at the end of the season. We have therefore redeveloped our website to provide you with the opportunity to record your projects and tell your stories.

Just go to www.cumbria-in-bloom.org.uk. Here you will learn everything that you need to know to take part this year.
