

Meals on Wheels

The effects of Coronavirus on Meals On Wheels deliveries have inevitably arisen. Events have escalated very quickly in recent days. Joyce is now closed at the Country Kitchen.

However, she will still go in to prepare the food for the Meals on Wheels team to deliver.

There are plenty of volunteers to deliver the meals at present. If you feel you would like to have Meals on Wheels please contact:-

Joyce 01228 711431

or place a request through the door

If you cannot get out to place a message through the door please phone:-

Ann Byers 01228 712846 for help

Many thanks
