

THE GREAT CUMBRIAN LITTER PICK 2021

Friday 21st and Saturday 22nd May

The annual Great Cumbrian Litter Pick has always been a great opportunity for bringing Cumbrian communities together to help clean up our county.

Like us at Friends of the Lake District, you can't have failed to have been truly shocked and upset by the huge amount of litter and rubbish that was discarded across the Lake District and Cumbria last year as lockdown eased.

The people of Cumbria are rightly proud and protective of their beautiful county and it has been the most incredibly heart-warming sight to see the reaction of so many individuals and local groups that have sprung up to take action for their local environment.

So this year's Great Cumbrian Litter Pick is not only a chance to create a cleaner Cumbria but to:

- Provide a focus for **raising awareness** that the littering **MUST STOP**.
- Celebrate and **say a massive thank you** to the local people and groups who clean up out of the goodness of their hearts on a daily basis.

How do I get involved?

We know lots of you are already out litter picking week-in, week-out and we want to highlight the heroic efforts of local people by showing a united force across the county on 21st and 22nd May.

- [Register](#) your own local community Litter Pick and get listed on our Local Litter Pick Groups Map
